

THE BUSKER TRIPLE CASK

"Matured in Bourbon, Sherry and Marsala casks, a blend of Single Grain, Single Malt and Single Pot"

Story The Busker Triple Cask Triple Smooth Blend is a blend of three whiskeys, Single Grain, Single Malt and Single Pot. The Busker Blend is made from corn, malted and unmalted barley. Distilled in continuous distillation pan and copper pan. Matured and finished in Bourbon, Sherry and Marsala casks. A perfect union of three whiskeys, in complete balance.

Producer Royal Oak Distillery is situated in the ancient eastern region of Ireland, a place steeped in a history that stretches back five thousand years to the realm of the Celts. This historically rich area harmonizes traditions with new technologies seamlessly. Although Royal Oak Distillery was founded just a few years ago, it preserves the tradition of whiskey-making and the diversity of Irish whiskey. Within the same distillery, Royal Oak produces three classic Irish whiskeys: Single Malt, Single Pot Still, and Single Grain. Blending these three unique products results in The Busker Blended Irish Whiskey. All these products are crafted under one roof. The grains are sourced locally, and the distillery's water comes from a nearby underground source. The in-house production ensures the reliability and authenticity of the products.
