# THE BUSKER SINGLE GRAIN

ROYAL OAK  
DISTILLERY

”Grain whiskey matured in Bourbon and Marsala casks”

**Story** The Busker Single Grain is made of corn as well as malted and unmalted barley. It is distilled in a continuous distillation still. Matured and finished in Bourbon and Marsala casks. The used Marsala casks are obtained from Cantina Florio 1833, which is one of the oldest Sicilian producers. Marsala casks add aromas of dried fruit to the whiskey.

**Producer** Royal Oak Distillery is situated in the ancient eastern region of Ireland, a place steeped in a history that stretches back five thousand years to the realm of the Celts. This historically rich area harmonizes traditions with new technologies seamlessly. Although Royal Oak Distillery was founded just a few years ago, it preserves the tradition of whiskey-making and the diversity of Irish whiskey. Within the same distillery, Royal Oak produces three classic Irish whiskeys: Single Malt, Single Pot Still, and Single Grain. Blending these three unique products results in The Busker Blended Irish Whiskey. All these products are crafted under one roof. The grains are sourced locally, and the distillery's water comes from a nearby underground source. The in-house production ensures the reliability and authenticity of the products.
