## RHUM NEGRITA WHITE SIGNATURE

"The Friendly Caribbean"

### Story

The secret of the Negrita name goes far back in history. Bardinet began exporting rum as early as 1880. The rum became especially popular in Spain, where the product was called "Negrita" after the dark woman still on the label to this day, meaning, the small dark one. Dark Negrita rum has been paired with a fresh white rum. Negrita White is the perfect match for drinks, e.g., fresh, summery Raspberry Daquiri.

### Producer

Paul Bardinet established Bardinet S.A. in 1857. The company successfully upholds the traditions of French rum. Despite its long history, Bardinet is a progressive company that continually evolves itself and its product range. Bardinet is part of the French family group, La Martiniquaise-Bardinet. La Martiniquaise-Bardinet stands as the second-largest alcohol producer in France. Its most renowned brands include Rhum Negrita, Brandy Bardinet, and Label 5 Blended Whisky.
