GLEN MORAY SHERRY CASK FINISH SPEYSIDE SINGLE MALT

GLEN MORAY
SPEYSIDE
SINGLE MALT SCOTCH WHISKY

”the Oriental spice brought by Oloroso casks”

Story the Glen Moray Sherry Cask Finish is finished in the best Oloroso Sherry casks. Dry Oloroso Sherry is made from Palomino grapes in southwestern Spain, in and around the Andalusian town of Jerez de la Frontera. Like other fortified wines, alcohol is added to Oloroso, which kills the wine yeast. This prevents further fermentation and deterioration of the wine when in contact with oxygen during cask maturation. The aromas of Oloroso Sherry consist of dried fruit, leather, nuttiness and exotic spices.

Producer The Glen Moray distillery is situated in Elgin, the largest town in Speyside. Despite the distillery being established in 1897, the current master distiller, Graham Coull, is only the fifth person to hold that position. Glen Moray distillery currently has over 250,000 barrels of malt whisky maturing. It is owned by the La Martiniquaise Group. La Martiniquaise is a private family-owned company. Jean Cayard founded La Martiniquaise in 1934, and it remains under the ownership of the Cayard family. The group is the second-largest alcohol company in France.
