## CITADELLE GIN ROUGE

**"Tastes of 100% genuine natural fruit and plants"**

### Story

Citadelle Gin Rouge is made from 100% fresh fruit and berries. Contains no added natural or nature-like aromas, no preservatives, and no colourings. The Rouge product name, i.e., red in English, tells about the red berries added to the original Citadelle gin: cranberries, blackberries, raspberries and blackcurrants. Fresh rhubarb brings an extra twist to this "red-tasting gin".

### Producer

"Maison Ferrand was born from the encounter in 1989 between Alexandre Gabriel and an ancient cognac-producing family. Alexandre Gabriel decided to breathe new life into Maison Ferrand and set out to make Ferrand cognac the best in the world. He aimed to preserve the age-old, artisanal production methods that were distinct from mass production and reignite interest in the finest expression of cognac - Grande Champagne, the best region for cognac production. Authenticity and character are the core values of Maison Ferrand's operations, primarily in cognac production, and also in other noble spirits, particularly in their uniquely produced gin. Cognac production is based on the cycle of wine production that underpins it. Hence, the stills remained idle for seven months a year. After five long years of negotiations, regulatory authorities overseeing origins granted permission to use the cognac distillation equipment for gin production. This led to the creation of Citadelle Gin, the French gin, giving the distillation stills a new purpose alongside cognac production. The innovator never stops. In 1166, Cistercian monks established the Chateliers monastery on the Île de Ré island, which became the center for cognac distillation. In 1989, Alexandre Gabriel created Claude Chatelier cognac, crafted in the old-fashioned, artisanal manner using the finest wines from top-quality vineyards in the best cognac-producing regions."

**COLOR** Transparent

**AROMA** The scent is reminiscent of red berries, with a hint of the typical spiciness of Citadelle's gin.

**TASTE** A nuanced and fresh ensemble, where red berries are tinted by notes of zesty rhubarb, creating a perfect balance on the palate.
