## GAUTIER VSOP

"Fruity, flavorful, and robust cognac at a good price"

*Producer* Maison GAUTIER, established in 1755, stands as one of the world's oldest cognac houses. The cellars, built above the Osme River, have acquired the nickname "Charente's Little Venice." The name originates from the fact that the Osme River creates a unique natural humid aging environment within the cellar. This, combined with the expertise passed down through generations in the maturation and blending of cognac, enables Maison GAUTIER to craft artisanal cognacs that possess exceptional aromatic qualities and complexity. Gautier's cognacs have received numerous accolades, including being recognized as the "World's Best Cognac" in several prestigious international competitions.
