ARCTIC BLUE LAKU

ARCTIC BLUE BEVERAGES

”The best in the world. Now together.”

Story When the world’s best award-winning Arctic Blue Gin (Best Gin and Spirit of the Year, WSA 2018) partners with the world’s best luxury liquorice maker (LUXlife Food and Drink Awards 2022), you can only expect the best. Arctic Blue Beverages and Kouvolan Lakritsi made the Arctic Blue Laku – a soft liquorice liqueur, combining the authentic taste of sweet artisan liquorice with natural ingredients, carefully selected from Finland’s uniquely pure nature.

Producer It all started with a crazy, almost impossible vision. We wanted to capture Finland's uniquely pure nature in a bottle for the world to enjoy. This gave birth to the globally acclaimed Arctic Blue Gin, and the same unwavering ambition reflects in all artisanal beverages crafted under the Arctic Blue name. Quality is something we never compromise on. Our distillery is located in Ilomantsi, North Karelia.

TASTE Slightly salty, sweet and soft liquorice flavour harmoniously combines with warm, pleasant coniferous aromas. Rich liquorice finish, with a refreshing herbal aftertaste.
