## ARCTIC BLUE GIN CASK

### Story

Arctic Blue Gin Cask Vintage 2023 is a unique blend of award-winning flavors. Handcrafted and finished with a hue reminiscent of amber, this masterpiece has matured for two years in American white oak barrels.

### Producer

It all started with a crazy, almost impossible vision. We wanted to capture Finland's uniquely pure nature in a bottle for the world to enjoy. This gave birth to the globally acclaimed Arctic Blue Gin, and the same unwavering ambition reflects in all artisanal beverages crafted under the Arctic Blue name. Quality is something we never compromise on. Our distillery is located in Ilomantsi, North Karelia.
