CAZCABEL TEQUILA BLANCO

”An additive-free, 100% agave tequila that honors the traditions of a family-owned business.”

Story Cazcabel Blanco is a premium tequila made from 100% agave, grown and produced on the Vasquez family estate. Crafted without additives and using traditional methods, it highlights the natural aromas of agave. The tequila is made from seven-year-old, hand-harvested Blue Weber agave plants. The hearts of the agave are slow-steamed, then crushed with traditional millstones. Cazcabel Blanco is naturally fermented, double distilled, and rested in stainless steel tanks for three months before bottling.

AROMA Fresh and fruity with notes of citrus and pepper.

TASTE Dry, with earthy and aromatic tones, citrusy, and a light smoky aftertaste.

TIPS FOR USE Best enjoyed in classic cocktails such as a Margarita or Paloma. Cazcabel Paloma: 4 cl Cazcabel Blanco, 4 cl freshly squeezed grapefruit juice, 1 cl lime juice, 1 cl agave syrup, 4 cl soda water.
