GLENGOYNE 15 YO SINGLE MALT

"The perfect balance of contrasts. Whiskies matured in bourbon and sherry casks create a fascinating dialogue of flavours: the rich resinous notes and sweet dark orchard fruits from sherry casks meet the bright vanilla character of bourbon oak."

Story

A nuanced and characterful 15-year-old Highland Single Malt. The whisky is matured in a carefully selected combination of casks: 20% first-fill European oak sherry casks, 25% first-fill American oak sherry casks and 55% selected refill oak casks. The result is a beautiful expression of Glengoyne's signature slow distillation, delivering exceptional depth, balance and elegance.
