

BROCARD PETIT CHABLIS JEUNES TERRES ORG

JEAN-MARC
BROCARD

Story

This ladybug-adorned wine is the house's second version of Petit Chablis, a limestone-based wine and a recognizable Chablis, but fruitier and even more approachable. It retains the familiar minerality and reflects its terroir beautifully, but it tastes even better for the thirsty, seeking a relaxed moment than other wines from this producer. So, here's a wine for beachside fish or oyster picnics, for the dock or under the umbrella. À votre santé – to your health!

Producer

Jean-Marc Brocard planted his first vines in 1973 in Préhý, within the Chablis region, where his estate is located. In the same year, his son Julien was born, who today leads the company with the latest biodynamic practices. The estate is one of the main players in Burgundy dedicated to organic farming. Precision, power, and freshness are the core principles and symbols of Jean-Marc Brocard's philosophy. Precision reflects the transmission of the Jurassic-era seabed into the vines, embodying the pure typicity of Chablis grapes. Power arises from the wine's structure, intensity, and length. Freshness emerges from the acidity created by the northern location and stony soil, which are characteristic of Chablis. In short, Jean-Marc Brocard's wines draw their true character from the soil. The estate's wines come from its own and leased vineyards covering a total of 200 hectares. Production includes the various expressions of Chablis, most of Auxerre's other wines, and three different terroirs of Burgundy white wine. Jean-Marc Brocard's wines are exported to 55 countries.

COLOR Golden yellow

AROMA In the elegant aroma, notes of lime, grapefruit, passion fruit, ripe gooseberries, and herbs are perceptible.

TASTE The taste is dry, sophisticatedly fruity, mineral, pineapple-cherry flavored, long, and balanced.

TIPS FOR USE Brocard's Petit Chablis is an excellent wine for fish, seafood, oysters, and shellfish.
