WOLFBERGER PINOT GRIS

”A noble and delicate wine”

Story

Alsace’s Pinot Gris was once known as Tokay Pinot Gris, but the name was dropped to avoid any misunderstandings. Dry Pinot Gris is a great fish wine, which also keeps its stand with sauces. Some producers might have a slightly sweet Pinot Gris, which can cause problems when combined with food. Wolfberger Pinot Gris is dry and refined and its classic elegance make it an expert choice.

Producer

Wolfberger is an over-century-old cooperative and one of the largest wine producers in France, being the largest in Alsace. It comprises 450 growers who harvest their grapes from 13,000 plots, covering an area of 1,200 hectares. Wolfberger's wines represent the entire spectrum of Alsace wines, encompassing all the region's grape varieties and a significant number of Grand Cru vineyards. Innovation, research, dedicated stakeholders, and modern equipment ensure high quality, whether it's white wine, red wine, or Crémant produced using the traditional bottle fermentation method. Wolfberger's production is thoroughly certified, and sustainability is a guiding principle of the company (AgriConfiance®). Some of their wines are certified organic or biodynamic.
