

"An excellent Riesling, guaranteed"

Story Wolfberger Signature wines reflect the diversity of Alsace wines with all seven grape varieties. Year after year, they represent the most significant type and originality of each variety and origin. What makes this group special, is that these wines will be tasted and selected annually by a special committee, of the best professionals in the industry, including experts in the restaurant and retail sector. The panel therefore acts as a guarantee group for these wines.

Producer Wolfberger is an over-century-old cooperative and one of the largest wine producers in France, being the largest in Alsace. It comprises 450 growers who harvest their grapes from 13,000 plots, covering an area of 1,200 hectares. Wolfberger's wines represent the entire spectrum of Alsace wines, encompassing all the region's grape varieties and a significant number of Grand Cru vineyards. Innovation, research, dedicated stakeholders, and modern equipment ensure high quality, whether it's white wine, red wine, or Crémant produced using the traditional bottle fermentation method. Wolfberger's production is thoroughly certified, and sustainability is a guiding principle of the company (AgriConfiance®). Some of their wines are certified organic or biodynamic.
