

"A handsome trio"

Story The name of this wine, (W)3 refers to three classic wine grape varieties in the Alsace region, of which it is made, Muscat, Pinot Gris and Riesling. Riesling brings crispy freshness to the blend, Muscat fruity aromas and Pinot Gris generosity and richness. In addition to high quality, multidimensionality increases the versatility of this wine.

Producer Wolfberger is an over-century-old cooperative and one of the largest wine producers in France, being the largest in Alsace. Wolfberger's wines represent the entire spectrum of Alsace wines, encompassing all the region's grape varieties and a significant number of Grand Cru vineyards. Innovation, research, dedicated stakeholders, and modern equipment ensure high quality, whether it's white wine, red wine, or Crémant produced using the traditional bottle fermentation method. Wolfberger's production is thoroughly certified, and sustainability is a guiding principle of the company (AgriConfiance®). Some of their wines are certified organic or biodynamic.
