WOLFBERGER LA LOUVE PINOT NOIR

”Matured in an oak cask”

Story Wolfberger La Louve Pinot Noir is made of Pinot Noir in the traditional Burgundian way. The grapes are collected by hand, carefully selected already in the vineyard. In alcoholic fermentation, the grape pulp is mixed by hand, in order to obtain all the possible extract and colour of the wine from the grapes. The wine is matured for eight to ten months in oak casks in Bourgogne, of which one-third are new, one-third of second year and one-third of third year casks.

Producer Wolfberger is an over-century-old cooperative and one of the largest wine producers in France, being the largest in Alsace. It comprises 450 growers who harvest their grapes from 13,000 plots, covering an area of 1,200 hectares. Wolfberger's wines represent the entire spectrum of Alsace wines, encompassing all the region's grape varieties and a significant number of Grand Cru vineyards. Innovation, research, dedicated stakeholders, and modern equipment ensure high quality, whether it's white wine, red wine, or Crémant produced using the traditional bottle fermentation method. Wolfberger's production is thoroughly certified, and sustainability is a guiding principle of the company (AgriConfiance®). Some of their wines are certified organic or biodynamic.

COLOR Bright ruby red

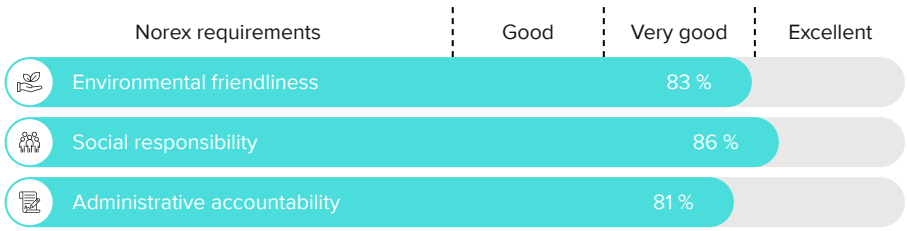

AROMA The intense scent is reminiscent of wild strawberries, sour cherries, red currants, spices and oak notes

TASTE Medium-bodied, succulent notes of berries, elegantly acidic, supple, clear aroma and well-balanced. Ageing in oak casks has brought more texture than flavour to the wine

TIPS FOR USE A great companion for goose, duck, roasted poultry and turkey, but in its tasty abundance it can also withstand pork, calves, mutton and game birds. With side dishes, it enjoys earthiness, such as mushrooms and game sauces. Of course, La Louve is a good friend of many cheeses.
