WOLFBERGER RIESLING

”Riesling is a favourite with connoisseurs”

Story

Riesling is one of the best white grapes in the world, which showcases its growth area in a great way and gives long-aged wines. Riesling is the main image and icon of Alsace wines. Here and from here you have to taste Riesling. It’s rarely disappointing. A small pitfall is residual sugar, which some producers leave in the wine, believing they will lose on the US market. Wolfberger doesn’t do that. It is interesting, that the wine country of France allows Riesling with permission and origin marking only in Alsace.

Producer

Wolfberger is an over-century-old cooperative and one of the largest wine producers in France, being the largest in Alsace. It comprises 450 growers who harvest their grapes from 13,000 plots, covering an area of 1,200 hectares. Wolfberger's wines represent the entire spectrum of Alsace wines, encompassing all the region's grape varieties and a significant number of Grand Cru vineyards. Innovation, research, dedicated stakeholders, and modern equipment ensure high quality, whether it's white wine, red wine, or Crémant produced using the traditional bottle fermentation method. Wolfberger's production is thoroughly certified, and sustainability is a guiding principle of the company (AgriConfiance®). Some of their wines are certified organic or biodynamic.

COLOR Straw yellow

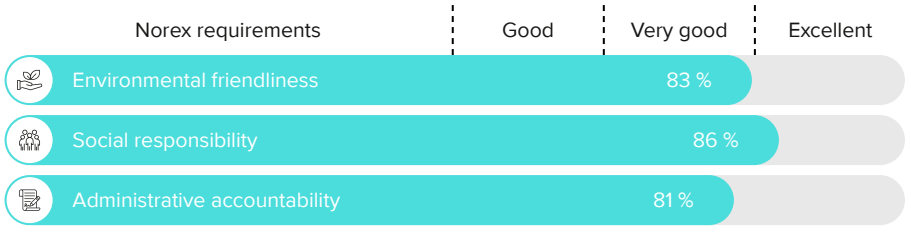

AROMA The intense scent is reminiscent of flowers, citrus, herbs and green apples

TASTE Dry, freshly acidic, gently fruity, clean-cut, noyes of apricot and green apple. The long finish is dominated by citrus, tinting with rhubarb and distant spiciness

TIPS FOR USE A truly versatile food wine that is at its best with choucroute or onion-bacon pie, but is also an excellent cheese wine.
