Producer Wolfberger is an over-century-old cooperative and one of the largest wine producers in France, being the largest in Alsace. It comprises 450 growers who harvest their grapes from 13,000 plots, covering an area of 1,200 hectares. Wolfberger's wines represent the entire spectrum of Alsace wines, encompassing all the region's grape varieties and a significant number of Grand Cru vineyards. Innovation, research, dedicated stakeholders, and modern equipment ensure high quality, whether it's white wine, red wine, or Crémant produced using the traditional bottle fermentation method. Wolfberger's production is thoroughly certified, and sustainability is a guiding principle of the company (AgriConfiance®). Some of their wines are certified organic or biodynamic.
