## **WOLFBERGER PINOT NOIR**

## "Alsace red wine"

Pinot Noir is the only Appellation Controlée red wine in Alsace. It produces a good tenth of all wines in the area. Pinot Noir is not an easy grape anywhere and it has played second violin in Alsace for a long time, accompanied by some of the region's famous white wines. Increased know-how and new technologies have clearly improved the situation and Alsace's Pinot Noir is now better than ever. Compared to Burgundy, it has a significant price advantage on its side and compared to the New World, it has the advantage of being French. Supple

wine producers in France, being the largest in Alsace. It comprises 450 growers who harvest their grapes from 13,000 plots, covering an area of 1,200 hectares. Wolfberger's wines represent the entire spectrum of Alsace wines, encompassing all the region's grape varieties and a significant number of Grand Cru vineyards. Innovation, research, dedicated stakeholders, and modern equipment ensure high quality, whether it's white wine, red wine, or Crémant produced using the traditional bottle fermentation method. Wolfberger's production is thoroughly certified, and sustainability is a guiding principle of the company (AgriConfiance®). Some of their wines are certified organic or biodynamic.
