WOLFBERGER JUX RIESLING RÉSERVE

”Fresh & Structured”

Story

Domaine Jux in Colmar has been producing Alsace wines for generations. In the vineyards of Colmar, the vines grow in the heart of the Harth area on a gravelly and sandy terroir located near the Fecht stream. A three-hour pressing, juice clarification by flotation, and fermentation in temperature-controlled stainless steel tanks at 15–16 °C preserve the wine’s fruitiness and aromatic profile. The wine is then aged on fine lees to add roundness while maintaining the characteristic tension of Riesling. This process highlights the full freshness of this iconic grape variety, resulting in a lively and nuanced wine.

Producer

Wolfberger is an over-century-old cooperative and one of the largest wine producers in France, being the largest in Alsace. It comprises 450 growers who harvest their grapes from 13,000 plots, covering an area of 1,200 hectares. Wolfberger's wines represent the entire spectrum of Alsace wines, encompassing all the region's grape varieties and a significant number of Grand Cru vineyards. Innovation, research, dedicated stakeholders, and modern equipment ensure high quality, whether it's white wine, red wine, or Crémant produced using the traditional bottle fermentation method. Wolfberger's production is thoroughly certified, and sustainability is a guiding principle of the company (AgriConfiance®). Some of their wines are certified organic or biodynamic.

COLOR Pale yellow with a slight green hue

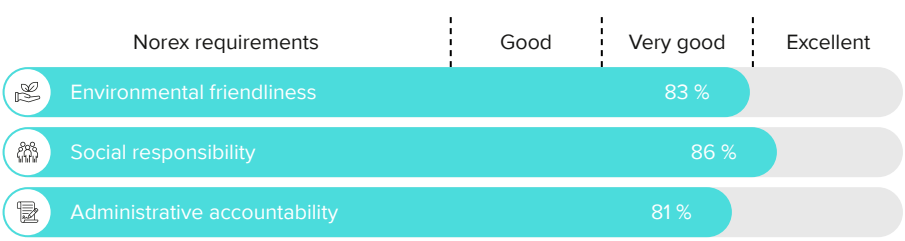

AROMA The nose shows notes of yuzu and lemon zest, yellow plums, green apples, pineapple, white flowers, and a delicate minerality.

TASTE Dry with firm acidity, showing citrus and lime notes along with floral nuances. Balanced and long on the finish.

TIPS FOR USE Jux Riesling is a delightful aperitif. It pairs beautifully with a wide range of seafood, shellfish, sushi, chicken dishes, and goat cheese. And, in keeping with Alsatian tradition, it is of course an excellent companion to the fashionable classic: sauerkraut
