WOLFBERGER CREMANT DEMI SEC

”Gentle Sparkling”

Story Crémant d'Alsace celebrates its 50th anniversary, as August 24, 2026 marks fifty years since this lively sparkling wine was officially defined in French law. It is produced using the traditional method. To ensure quality, the vineyard plots intended for Crémant must be identified as early as March, meaning the vines are carefully managed for this purpose. The grapes must be harvested by hand, transported in small crates, and pressed as whole bunches. Only the first 100 litres of juice from every 150 kilograms of grapes may be used. Crémant d'Alsace offers excellent value for its quality.

Producer Wolfberger is an over-century-old cooperative and one of the largest wine producers in France, being the largest in Alsace. It comprises 450 growers who harvest their grapes from 13,000 plots, covering an area of 1,200 hectares. Wolfberger's wines represent the entire spectrum of Alsace wines, encompassing all the region's grape varieties and a significant number of Grand Cru vineyards. Innovation, research, dedicated stakeholders, and modern equipment ensure high quality, whether it's white wine, red wine, or Crémant produced using the traditional bottle fermentation method. Wolfberger's production is thoroughly certified, and sustainability is a guiding principle of the company (AgriConfiance®). Some of their wines are certified organic or biodynamic.

COLOR Pale golden yellow

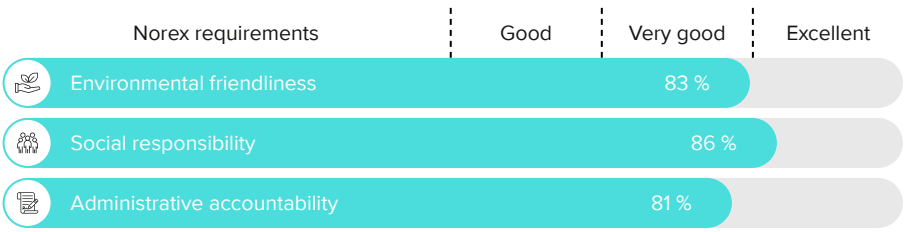

AROMA The nose reveals notes of peaches, yellow plums, white currants, pears, and marzipan.

TASTE The palate is off-dry with refreshing acidity, showing citrus and currant notes with a balanced character. The sweetness is perceived more as fullness than sugary sweetness.

TIPS FOR USE This Crémant works well as an aperitif and pairs nicely with the saltiness and spices of appetizers. It is an excellent wine for social occasions and a popular choice for toasts. It also pairs well with less sweet desserts and pastries.
