# LOUIS JADOT BEAUNE 1ER CRU THEURONS

**"A good fit for the cellar, that can already be enjoyed"**

**Story** Beaune Theurons consists of four vineyards on the northern slope of the city of Beaune. These Premier Cru vineyards represent Beaune wine at its best. The vineyards have been in Louis Jadot's possession for a long time, since 1830. The grapes were very dark, fermentation took four weeks in an open container. The wine was matured in oak casks for 18 months, which brought out the nuances of this terroir once and for all. House Beaune Theurons is a classic, which pleases lovers of really good wine year after year. An excellent wine for the connoisseur's cellar, for up to 15 to 20 years of aging.

**Producer** Louis Jadot was established back in 1859 and still bears the name of its founder. Louis Jadot produces Burgundy wine and exclusively Burgundy wine along the long north-south strip of Burgundy, from the northern Chablis to the southern Beaujolais region. The house operates as a Propriétaire-Négociant, owning an extensive number of vineyards while also purchasing grapes from the best growers in the area. In the fragmented region of Burgundy, this is the only way to produce significant quantities of fine and consistent wine. Over the years, they have acquired vineyards, becoming the largest vineyard owner in the region with over 200 hectares. The winemaking skills and resources they possess have made Bacchus's head, emblematic of quality, the symbol of the house. Only a small fraction of Burgundy's most famous grower-producers reach this level of quality. Louis Jadot's wine selection is impressive and representative, whether discussing wines from the area, village-level wines, palate-pleasing Premier Cru vineyards, or dream Grand Cru vineyards.

**COLOR** Bright ruby red colour

**AROMA** The elegant scent is reminiscent of cherries, raspberries, blackcurrants, ripe citrus fruits, leather, oak and distant smoke

**TASTE** The taste is stylish with berries, the tannins are silky, but relatively rich, the acid structure is mouthwatering and the balance is exemplary. Acids and tannins indicate long aging potential, but the wine is already a joy

**TIPS FOR USE** Beaune Theurons is a elegant companion for grilled salmon, grilled lamb chops, as well as ducks and quails. Beaune Theurons is great for a wide range of cheeses
