B&G CHARDONNAY 18,7 CL

Barton & Guestier
DEPUIS 1725

Story

Selection of vines located in the coolest areas of the Languedoc region near Limoux (wide temperature range between cool nights and warm days) and in the Gard region where the weather is warmer. The wine combines the strength and the freshness of the Limoux terroir with the elegance and creaminess of the Gard terroir. Night and morning harvest. Gentle crushing of the grapes – short maceration on the skin (between 6 and 12 hours) in order to get aromatic complexity – light pressing – pre-fermenting oxygenation of one part of the Chardonnay to keep freshness – controlled Alcoholic fermentation in vats (18-20°C / 65-68°F). Maturation with stirring of the lees.

Producer

Barton & Guestier is a wine business with an almost three-century-long history, founded by the Irishman Thomas Barton in 1725 when he settled in the city of Bordeaux. In 1802, his grandson partnered with the Frenchman Daniel Guestier, and the business flourished for a long time, shipping Bordeaux wine on ships to Ireland, England, the Netherlands, and the USA. The esteemed company faced its biggest challenges due to the devastation caused by phylloxera and the two World Wars. While no longer family-owned, the traditions persist with dedicated professionals delivering French wines to 130 different countries, widely available even at international airports. Barton & Guestier's range showcases an impressive array of France's important wine regions: Bordeaux, the Loire Valley, Burgundy, Beaujolais, the Rhône Valley, Languedoc, Gascony, and Corsica. The company collaborates with around 200 winegrowers in these areas. Barton & Guestier focuses on offering high-quality, typically French wines to the world while considering the requirements of sustainable development.

COLOR Straw yellow

AROMA Fine and elegant nose mixing white fruit aromas (pear, quince) with vanilla notes.

TASTE Fruit driven on the palate, the attack is fresh, followed by a round and supple texture. Flattering oaky notes appear on the aftertaste.
