

Germany, Rheinhessen | 2022  
**SUMO MAN RIESLING**

”Impressive”

**Story** Sumo Man, despite its name, originates not from the Far East but from Rheinhessen, Germany. The vineyards of Rheinhessen have historically been among Germany's most renowned producers of Riesling. Traditionally, the names of these white wines have been multi-word, challenging German titles, making understanding, remembering, and pronouncing them not always straightforward. This versatile and flavorful wine is named differently—wittily and memorably. Riesling is known for its acidity, yet in Sumo Man, this is balanced by both abundant fruitiness and a light sweetness. The 2022 vintage is exceptional for this wine.

**COLOR** Pale straw color

**AROMA** In the nose, the wine reveals notes of citrus, white flowers, herbs, white peach, and white pepper.

**TASTE** The palate is dry, with a crisp acidity, lush fruitiness, freshness, length, and balance.

**TIPS FOR USE** Sumo Man Riesling is an excellent companion to sushi, sashimi, shellfish, seafood, and white fish. It also pairs well as an aperitif or alongside flavorful Asian cuisine.
