

WEINGUT WINTER DITTELSHEIM WEISSBURGUNDER

"Bourgogne from Rheinhessen"

Story

The grapes of Weingut Winter's VDP.ORTSWEINE wines grow in the most calcareous soils in the region. Grape harvesting begins at sunrise and is done by hand. The grapes are aromatised for some hours, in order to obtain unique flavours and aromas from their skins for the wine. The juice of Weißburgunder grapes (Pinot Blanc) is slowly fermented with natural yeasts in large oak casks, where the wine also matures.

Producer

Stefan Winter sought experience and understanding through apprenticeships with renowned figures and started practicing his craft as a winemaker at the age of just 20 in the year 2000, continuing his family's vineyard traditions dating back to the 1600s. Weingut Winter's quality revolves around showcasing the distinct characteristics of individual vineyards in classic grape varieties such as Riesling and Pinot, supported by the use of wild yeasts. Precise and meticulous craftsmanship has become Stefan Winter's hallmark. Currently, Winter's winery stands as one of the most esteemed in Rheinhessen. The estate covers a total of 20 hectares, and the grapes used in the estate's wines come exclusively from their own vineyards. The majority of their production is Riesling. Since 2013, the estate has been a member of the prestigious VDP organization (Verband der deutschen Prädikatsweingüter).

COLOR Golden yellow

AROMA Citrus on the nose, yellow plums, vanilla, oak, ginger and minerals

TASTE Dry, good body, bourgognelike, lightly oaky, long and structured
