

BARON DE LEY ROSADO DE LÁGRIMA

"Succulent and well-balanced"

Story Garnacha grapes from Los Almendros vineyard were collected by hand before the rest of the harvest, transported to the press and immediately processed. Only the grape juice obtained after the first and very gentle pressing is used for the production of Barón de Ley Rosado Lágrima. Fermentation has occurred at a very low temperature (14 °C), which results in this fresh and elegant Riojan rosé

Producer Bodegas Barón de Ley is a respected Spanish wine producer with over 1000 hectares of vineyards in the Rioja regions of Cenicero, Mendavia, Ausejo, and Carboneras. The headquarters of Barón de Ley is located in Mendavia, within a magnificent building complex constructed in 1548 by the Count of Eguía as his fortress and stronghold. Over the years, the estate transformed from a Benedictine monastery where monks raised sheep and produced wine under their command until 1836. Subsequently, the estate had several powerful owners. After various stages, the property returned to the ownership of Barón de Ley's founders in the 1980s.
