PARÉS BALTÀ COSMIC

”Under favourable Stars”

Story The grapes for Parés Baltà Cosmic are Xarel-lo (85%) and Sauvignon Blanc (15%), that grow at the top of the highest slopes of Penedes. At the top, light and temperature fluctuations give the grapes aroma and vigorous acidity. Cosmic’s grapes are lightly macerated in the cellar and allowed to ferment slowly in chilled steel tanks, after which the wine develops on fine fermentation lees for another three months by daily stirring of the lees. Biodynamic Cosmic also suits vegans.

Producer Parés Baltà winery was established back in 1790 and remains a family-owned business to this day. Their wine production is infused with great passion, and the endearing and warm-hearted Cusiné family welcomes all wine enthusiasts to their estate, located just a short distance from Barcelona. The vineyards are situated across five villages, encompassing diverse terrains, valleys, and mountains. This allows for the cultivation of wines in both Mediterranean and continental climates, as well as in their intermediate zones. Some vineyards are nestled within nature reserves, where grapes grow almost magically undisturbed. The vineyards are located on centuries-old terraces, where wild boars, foxes, hares, and eagles are common sights.
