PARÉS BALTÀ BRUT B

”The popularity is no surprise.”

Story One of Finland's most popular organic sparkling wines, Brut 'b', was created to be a winner. It is made using the traditional bottle fermentation method from classic Cava grapes Parellada, Macabeo, and Xarel·lo. Parellada dominates this blend and comes from the highest mountains in Penedès, giving the wine a floral freshness due to the vineyard's unique microclimate. Macabeo adds fruitiness, and Xarel·lo contributes body. The organic wine's complexity and harmony characterize this wine. Producing organic wine is not cheap, but considering this, the wine offers an exemplary price-quality ratio.

Producer Parés Baltà winery was established back in 1790 and remains a family-owned business to this day. Their wine production is infused with great passion, and the endearing and warm-hearted Cusiné family welcomes all wine enthusiasts to their estate, located just a short distance from Barcelona. The vineyards are situated across five villages, encompassing diverse terrains, valleys, and mountains. This allows for the cultivation of wines in both Mediterranean and continental climates, as well as in their intermediate zones. Some vineyards are nestled within nature reserves, where grapes grow almost magically undisturbed. The vineyards are located on centuries-old terraces, where wild boars, foxes, hares, and eagles are common sights.

COLOR Straw yellow

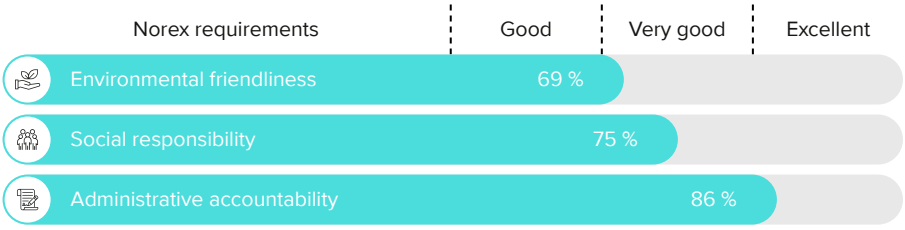

AROMA In the lightly toasted aroma, there are notes of green apple, apricot, citrus, white currant, herbs, flowers, and minerals.
