## MATERIA PRIMA BLANC

### Producer

Parés Baltà winery was established back in 1790 and remains a family-owned business to this day. Their wine production is infused with great passion, and the endearing and warm-hearted Cusiné family welcomes all wine enthusiasts to their estate, located just a short distance from Barcelona. The vineyards are situated across five villages, encompassing diverse terrains, valleys, and mountains. This allows for the cultivation of wines in both Mediterranean and continental climates, as well as in their intermediate zones. Some vineyards are nestled within nature reserves, where grapes grow almost magically undisturbed. The vineyards are located on centuries-old terraces, where wild boars, foxes, hares, and eagles are common sights.
