METEORIT CABERNET SAUVIGNON

”Silky richness”

PARÉS 1790 BALTÀ

Story Meteorit Cabernet Sauvignon breaks the conventional mold of Cabernet Sauvignon's aroma and character. While Cabernet Sauvignon grows globally in temperate regions with enough sunlight hours, many of these wines tend to resemble each other. Meteorit offers a fresh perspective. The wine does feature familiar notes of berry fruit, but its aromatic complexity evokes more the feeling of walking through Parés Baltà's dreamlike estate, where the biodynamic production involves the entire universe. I can imagine this wine landing in the vineyard like a meteorite. The wine is suitable for vegans.

Producer Parés Baltà winery was established back in 1790 and remains a family-owned business to this day. Their wine production is infused with great passion, and the endearing and warm-hearted Cusiné family welcomes all wine enthusiasts to their estate, located just a short distance from Barcelona. The vineyards are situated across five villages, encompassing diverse terrains, valleys, and mountains. This allows for the cultivation of wines in both Mediterranean and continental climates, as well as in their intermediate zones. Some vineyards are nestled within nature reserves, where grapes grow almost magically undisturbed. The vineyards are located on centuries-old terraces, where wild boars, foxes, hares, and eagles are common sights.

COLOR Ruby red

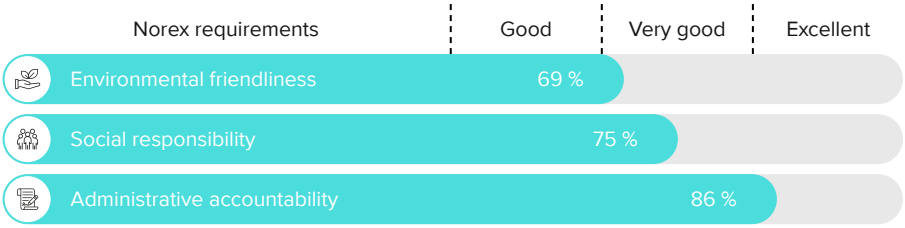

AROMA The intense aroma features black currants, blackberries, blueberries, red apple, leather, cinnamon, and clove.

TASTE The taste is medium-bodied, smooth and fruity, with dark berry flavors, velvety tannins, long, and well-balanced.

TIPS FOR USE Meteorit Cabernet Sauvignon is an excellent wine for game, grilled meats, cheese, and simply for enjoying on its own.
