

"Aperitivo Italiano 1820"

Story Piemonte's historical orange herb aperitif has developed over time to its present form, Artspritz. Artspritz is a wine-based low-alcohol aperitif, aromatised with herbs and oranges. Thanks to the diversely elegant flavour of Artspritz, it is ideal for cocktails and on its own over ice.

Producer Tosti has been producing sparkling wine in the hills of Canelli for over 200 years. It remains a family business owned by the Bosca family, gradually transitioning responsibility to the eighth generation. A family-owned enterprise can be extensive: 500 families grow grapes for Tosti across a total of 650 hectares, and their long-standing tradition binds these farmers to the high-quality standards demanded by Tosti. Tosti also crafts organic sparkling wine and repeatedly award-winning traditional method sparkling wines under the Alta Langa DOCG. However, Moscato Asti and Glera grapes remain at the heart of Tosti's production. These wines encapsulate Italy in a traditional bottle. Therefore, the producer poses the question on the label: What would life be without Prosecco?
