

**"A fresh all-round wine"**

**Story** Grillo is becoming more and more popular, as a richly flavoured grape variety from Sicily. It is a relatively young variety and DNA research has shown that it is a natural cross between Catarratto Bianco and Muscat of Alexandria. Sicilian sunshine gives Grillo a rich fruitiness and the temperature variation adds fine acidity. Grillo is also used for the production of Marsala. Palazzo Mio Grillo is an organic wine.

**Producer** Mare Magnum's company philosophy is clear: there are many expensive high-quality wines in the world, but the greatest demand actually lies in high-quality wines that come with a reasonable price. Experienced individuals, Takis Soldatos and Mario Calzolari, founded Mare Magnum to produce wines that cater specifically to this demand. The company's production started with Italian wines originating from Apulia, Abruzzo, Piedmont, Sicily, Tuscany, Umbria, and Veneto. Mare Magnum's international team of winemakers continually travels the world, and their collaboration has resulted in many charming, modern wines from quite diverse locations. Currently, these include Australia, Spain, South Africa, South America, California, Greece, France, and New Zealand. Regardless of the country or wine, Mare Magnum's primary goal is to offer consumers exceptionally good value for money in innovative and attractive packaging.
