CRUDO PROSECCO

MARE MAGNUM

”This fresh Prosecco is an organic wine”

Story

Crudo Prosecco comes from sunny Veneto, from the Treviso village. Crudo Prosecco is manufactured using the tank fermentation method, the so-called Charmat method. With the method, the wine gets its bubbles in the second fermentation in a large chilled steel tank, due to the presence of sugar and pure yeast culture. The wine is further matured between 18 and 24 months before bottling.

Producer

Mare Magnum's company philosophy is clear: there are many expensive high-quality wines in the world, but the greatest demand actually lies in high-quality wines that come with a reasonable price. Experienced individuals, Takis Soldatos and Mario Calzolari, founded Mare Magnum to produce wines that cater specifically to this demand. The company's production started with Italian wines originating from Apulia, Abruzzo, Piedmont, Sicily, Tuscany, Umbria, and Veneto. Mare Magnum's international team of winemakers continually travels the world, and their collaboration has resulted in many charming, modern wines from quite diverse locations. Currently, these include Australia, Spain, South Africa, South America, California, Greece, France, and New Zealand. Regardless of the country or wine, Mare Magnum's primary goal is to offer consumers exceptionally good value for money in innovative and attractive packaging.

COLOR Light yellow

AROMA Lush scent with gooseberries, Williams pears, rhubarb, white flowers and herbs

TASTE Dry, freshly acidic, notes of pear, tangerine and light mineral notes. At the lingering end, ripe yellow apples and white chocolate stand out

TIPS FOR USE This elegant aperitif is at its best when quite chilled. Can also be enjoyed socially, for appetisers, salads or poultry dishes. Organic wine.
