GLORIA GRILLO

MARE MAGNUM

”Southern breeze and sun”

Story Gloria Grillo Doc is a fresh white wine from Sicilian Grillo grapes, with a pinch of Zibibbo and Catarratto. Their juice was fermented in refrigerated steel tanks, after which the wine was allowed to develop for three to six months on the lees before filtering and bottling. Grillo is becoming a more and more popular high quality, richly flavoured grape variety from Sicily. It is a relatively young variety and, according to DNA research, it is a natural cross between Catarratto Bianco and Muscat of Alexandria. The Sicilian sun gives the Grillo a rich fruitiness and temperature variation adds fine acidity. Suits vegans

Producer Mare Magnum's company philosophy is clear: there are many expensive high-quality wines in the world, but the greatest demand actually lies in high-quality wines that come with a reasonable price. Experienced individuals, Takis Soldatos and Mario Calzolari, founded Mare Magnum to produce wines that cater specifically to this demand. The company's production started with Italian wines originating from Apulia, Abruzzo, Piedmont, Sicily, Tuscany, Umbria, and Veneto. Mare Magnum's international team of winemakers continually travels the world, and their collaboration has resulted in many charming, modern wines from quite diverse locations. Currently, these include Australia, Spain, South Africa, South America, California, Greece, France, and New Zealand. Regardless of the country or wine, Mare Magnum's primary goal is to offer consumers exceptionally good value for money in innovative and attractive packaging.
