BIG GAME MALBEC

MARE MAGNUM

”For big game”

Story Mendozan Malbec has long been a sure choice for wine lovers, flat, dependable, rich and exemplary good value for money. Big Game Malbec’s grapes were harvested by hand and alcoholic fermented in refrigerated steel tanks. Maturation in oak containers took four to six months. The wine has been awarded with gold and silver medals several times. Serve the wine lightly chilled at 16 to 18 °C. Argentine tango fits perfectly into the atmosphere created by this wine.

Producer Mare Magnum's company philosophy is clear: there are many expensive high-quality wines in the world, but the greatest demand actually lies in high-quality wines that come with a reasonable price. Experienced individuals, Takis Soldatos and Mario Calzolari, founded Mare Magnum to produce wines that cater specifically to this demand. The company's production started with Italian wines originating from Apulia, Abruzzo, Piedmont, Sicily, Tuscany, Umbria, and Veneto. Mare Magnum's international team of winemakers continually travels the world, and their collaboration has resulted in many charming, modern wines from quite diverse locations. Currently, these include Australia, Spain, South Africa, South America, California, Greece, France, and New Zealand. Regardless of the country or wine, Mare Magnum's primary goal is to offer consumers exceptionally good value for money in innovative and attractive packaging.
