

Story The wine is like a blossoming cherry tree. Gloria Nerello Mascalese is a dark cherry and stylish red wine originating from the volcanic soils of Sicily. The volcanic soil gives the wine a distinctive acidic balance. Nerello Mascalese is an indigenous Sicilian variety, and without volcanic soil, it's challenging to produce high-quality wines from it.

Producer Mare Magnum's company philosophy is clear: there are many expensive high-quality wines in the world, but the greatest demand actually lies in high-quality wines that come with a reasonable price. Experienced individuals, Takis Soldatos and Mario Calzolari, founded Mare Magnum to produce wines that cater specifically to this demand. The company's production started with Italian wines originating from Apulia, Abruzzo, Piedmont, Sicily, Tuscany, Umbria, and Veneto. Mare Magnum's international team of winemakers continually travels the world, and their collaboration has resulted in many charming, modern wines from quite diverse locations. Currently, these include Australia, Spain, South Africa, South America, California, Greece, France, and New Zealand. Regardless of the country or wine, Mare Magnum's primary goal is to offer consumers exceptionally good value for money in innovative and attractive packaging.

COLOR Bright red

AROMA Inviting aromas of dark cherries and other red fruit flavors, with notes of cinnamon and dried herbs.

TASTE Fresh, fruity and earthy and mineral taste due to volcanic soil, with spices and present tannins, well balanced with a slight acidity, and long aftertaste.

TIPS FOR USE Pairs well with pastas, as an aperitif or with light dishes of seafood and salads. Serve at 16°C.
