PEZOULES MERLOT XINOMAVRO

"Versatile Performer"

Story The grapes come from selected vineyards in Northwestern Macedonia, at an altitude of 600 meters, where the sandy soil ensures low yields. This blend of Merlot and Greece's most important red variety, Xinomavro, gives the wine its expressive character, resulting in an exceptionally enjoyable experience. The wine is classified as PGI Macedonia. Serve this delightful wine lightly chilled at 16–18°C.
