SINGING GRÜNER VELTLINER BY LAURENZ V.

by LAURENZ V.

”Singing wine”

Story Laurenz V. Singing Grüner Veltliner is the calling card for wines of this grape variety. Its lively,well-balanced fruitiness combine with a long, rewarding finish – this wine sings in your mouth! It might make you sing, too. In Finland, in the promised land of choral singing, it should be noted as the industry’s signature wine. The wine grapes grew on the slopes of Kamptal and Kremstal, where the unique fruitiness is created by the warm air rising from the Danube and is complemented by the fresh acidity of the cool air of the Waldviertel, all the way to the banks of the Kamp and Krems rivers. Singing suits vegans

Producer "Laurenz V. is a wine producer dedicated to creating stylish, captivating, and lively mineral-driven wines from Austria's signature grape variety, Grüner Veltliner. Laurenz Moser V. (the fifth) founded the company in 2004 alongside the Hübler and Schweiger families, focusing exclusively on Grüner Veltliner. Laurenz Moser V. represents a 400-year tradition in winemaking as a descendant of the renowned Austrian wine family Lenz Moser. Dr. Lorenz Moser III, also known as Grandfather Grüner, remains a significant inspiration, having developed the cultivation of the variety, believing it to be the perfect grape. The company's winemaker is the exceptionally skilled Peter Schweiger, whose winemaking heritage in Kamptal dates back five generations. Assisting him is his son, Peter Jr., who graduated from wine studies in 2012. Laurenz V.'s mission is to play a leading role as Grüner Veltliner takes its place among the world's best white wines. They aim to offer pure enjoyment with a modern approach, attracting more enthusiasts to this outstanding grape variety."
