5 ELEMENTOS WHITE

”Elements perfectly aligned”

CASA RELVAS
ALENTEJO | PORTUGAL

Story Alexandre Relvas describes wine 5 elementos enthusiastically: it is a good representation of the diversity and quality of Portuguese grapes, and traditional winemaking. And the blend is not limited to grape varieties, but also to soil variability, which can be seen in the dimensions of the wine. Chapter 5 also reflects our family: I was born into a family of five, i have five children, two of whom are now working on our lands in the fifth generation and have contributed to the production of this wine. According to the wine label, the five elements for making wine are metal, fire, earth, water and wood.

Producer Casa Relvas, a Portuguese winery, aims to produce quality wines for all occasions; wines that evoke good times and represent Alentejo's gift to the world. Established in 1997, the young company has experienced significant growth, managing 750 hectares of cork-producing forests, 250 hectares of olive groves, and 350 hectares of vineyards. Consistency in high-quality production characterizes the six million wine bottles produced annually, earning hundreds of awards and excellent reviews from wine critics. The producer has been awarded the Earth Friendly winery status and engages in numerous environmental conservation projects alongside winemaking. Relvas also focuses on sustainable development through social and economic initiatives. Five percent of Relvas' production is certified organic wines.

COLOR Light Lemon yellow

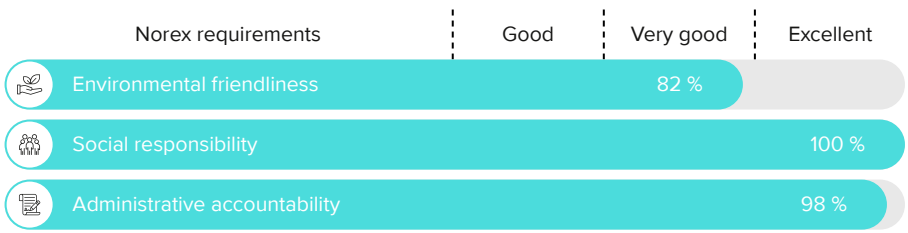

AROMA Mineral fragrance with honey, melon, pineapple, coconut, ginger and pineapple cherry

TASTE Very acidic and mineral, honeydew melon, yellow plum and pineapple cherry. At the lingering finish, yellow fruit and mineralism alternate

TIPS FOR USE This winepairs well with white fish, grilled poultry, salads, vegetarian dishes and mild cheeses. The supple mineral notes of the wine supports it so well, that it is an excellent all-round wine also for buffet dishes.
