

Portugal, Vinho Regional Alentejano | 2022  
**HERDADE DE SÃO MIGUEL COLHEITA SELECIONADA WHITE**

**"The most recognised bottle in Portugal"**

**Story** This wine comes from the middle of beautiful nature in Redondo Alentejo, where the soil of the vineyards consists of clay and slate. The vineyards are surrounded by forest. The combination of soil and sun grows character rich grapes, which make for a robust and well-balanced, but at the same time fresh wine. The region is characterised more by donkeys and sheep grazing in pens than by trucks and tractors. The characterful wine is obtained from the grapes Verdelho, Viognier, Antão Vaz and Arinto. Harvesting is done by hand. One half is fermented chilled steel tanks, the other very slowly in medium size oak casks.

**Producer** Casa Relvas, a Portuguese winery, aims to produce quality wines for all occasions; wines that evoke good times and represent Alentejo's gift to the world. Established in 1997, the young company has experienced significant growth, managing 750 hectares of cork-producing forests, 250 hectares of olive groves, and 350 hectares of vineyards. Consistency in high-quality production characterizes the six million wine bottles produced annually, earning hundreds of awards and excellent reviews from wine critics. The producer has been awarded the Earth Friendly winery status and engages in numerous environmental conservation projects alongside winemaking. Relvas also focuses on sustainable development through social and economic initiatives. Five percent of Relvas' production is certified organic wines.
