MONTE DOS AMIGOS TINTO (37,5CL)

"Gently velvety red wine"

Monte dos Amigos wines were made to celebrate friendship. They're easily enjoyable and very pleasant. The grapes were harvested in the cool of the night, the stems were removed and the berries were macerated 48 hours before fermented in refrigerated tanks. In the malolactic fermentation, oak sticks gave an extra dimension to the wine. A tenth of the wine matured in large casks for half a year.

Roducer Casa Relvas, a Portuguese winery, aims to produce quality wines for all occasions; wines that evoke good times and represent Alentejo's gift to the world. Established in 1997, the young company has experienced significant growth, managing 750 hectares of cork-producing forests, 250 hectares of olive groves, and 350 hectares of vineyards. Consistency in high-quality production characterizes the six million wine bottles produced annually, earning hundreds of awards and excellent reviews from wine critics. The producer has been awarded the Earth Friendly winery status and engages in numerous environmental conservation projects alongside winemaking. Relvas also focuses on sustainable development through social and economic initiatives. Five percent of Relvas' production is certified organic wines.

AROMA Dark berriness on the nose, with cherries, boysenberries, currants, spices and chocolate

TASTE Softly fruity, rich in berries, supple, long and well-balanced. This succulent wine with silky tannins is easily approachable

TIPS FOR USE As its name suggests, Monte dos Amigos Entertaining Red is a tasty social wine, but it's also great for grilled meat, with sweetness in its barbecue sauce or glaze, for salty cheeses and savoury snacks.
