

## MONTE DOS AMIGOS ENTERTAINING RED

"Deliciously fruity"

### Story

Monte dos Amigos wines were made to celebrate friendship. They're easily enjoyable and very pleasant. The grapes were harvested in the cool of the night, the stems were removed and the berries were macerated 48 hours before fermented in refrigerated tanks. In the malolactic fermentation, oak sticks gave an extra dimension to the wine. A tenth of the wine matured in large casks for half a year.

Consistency in high-quality production characterizes the six million wine bottles produced annually, earning hundreds of awards and excellent reviews from wine critics. The producer has been awarded the Earth Friendly winery status and engages in numerous environmental conservation projects alongside winemaking. Relvas also focuses on sustainable development through social and economic initiatives. Five percent of Relvas' production is certified organic wines.
