MONTE DOS AMIGOS ENTERTAINING RED

"Deliciously fruity"

Story Monte dos Amigos wines were made to celebrate friendship. They're easily enjoyable and very pleasant. The grapes were harvested in the cool of the night, the stems were removed and the berries were macerated 48 hours before fermented in refrigerated tanks. In the malolactic fermentation, oak sticks gave an extra dimension to the wine. A tenth of the wine matured in large casks for half a year.

Producer Casa Relvas, a Portuguese winery, aims to produce quality wines for all occasions; wines that evoke good times and represent Alentejo's gift to the world. Established in 1997, the young company has experienced significant growth, managing 750 hectares of cork-producing forests, 250 hectares of olive groves, and 350 hectares of vineyards. Consistency in high-quality production characterizes the six million wine bottles produced annually, earning hundreds of awards and excellent reviews from wine critics. The producer has been awarded the Earth Friendly winery status and engages in numerous environmental conservation projects alongside winemaking. Relvas also focuses on sustainable development through social and economic initiatives. Five percent of Relvas' production is certified organic wines.

COLOR Ruby red

AROMA The scent is reminiscent of fresh, red berries, a variety of cherries, boysenberries, currants, spices and linden flowers

TASTE Softly fruity, rich in berries, lively, long and well-balanced. This mellow wine with silky tannins is easily approachable
