HERDADE DE SÃO MIGUEL ESCOLHA DOS ENÓLOGOS

CASA RELVAS
ALENTEJO | PORTUGAL

”The Oenologist’s Choice”

Story At first glance, the label of this wine appears distinctive: the numbered bottles of this limited edition and the winemakers’ signatures, together with the word Escolha (meaning “selection”), signal a treat worthy even of the most discerning wine lovers. The Relvas family’s respect for the soil, the environment, and the ancient traditions of winemaking culminates in this wine made from Alicante Bouschet, Touriga Nacional, and Touriga Franca. It is a wine meant to accompany special moments — carefully chosen food, family and friends, laughter, and a relaxed atmosphere.

Producer Casa Relvas, a Portuguese winery, aims to produce quality wines for all occasions; wines that evoke good times and represent Alentejo's gift to the world. Established in 1997, the young company has experienced significant growth, managing 750 hectares of cork-producing forests, 250 hectares of olive groves, and 350 hectares of vineyards. Consistency in high-quality production characterizes the six million wine bottles produced annually, earning hundreds of awards and excellent reviews from wine critics. The producer has been awarded the Earth Friendly winery status and engages in numerous environmental conservation projects alongside winemaking. Relvas also focuses on sustainable development through social and economic initiatives. Five percent of Relvas' production is certified organic wines.
