Producer

Casa Relvas, a Portuguese winery, aims to produce quality wines for all occasions; wines that evoke good times and represent Alentejo's gift to the world. Established in 1997, the young company has experienced significant growth, managing 750 hectares of cork-producing forests, 250 hectares of olive groves, and 350 hectares of vineyards. Consistency in high-quality production characterizes the six million wine bottles produced annually, earning hundreds of awards and excellent reviews from wine critics. The producer has been awarded the Earth Friendly winery status and engages in numerous environmental conservation projects alongside winemaking. Relvas also focuses on sustainable development through social and economic initiatives. Five percent of Relvas' production is certified organic wines.

AROMA The aroma reveals ripe white peach, green apple, white currants, citrus, and white flowers.

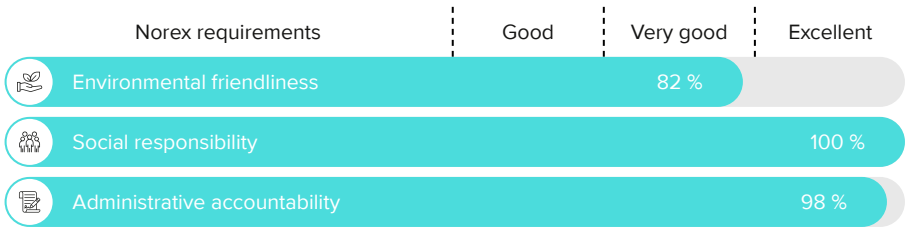

TASTE The taste is dry, refreshingly fruity, currant-like, green-appley, lingeringly citrusy, balanced, and long. The finish alternates between lively citrus and a hint of light herbal notes.
