SMALL BATCH BIG CHARACTER

CASA RELVAS
ALENTEJO | PORTUGAL

”Small is big”

Story Small is often beautiful when making wine. Special and carefully selected grapes are not always available in large quantities, and many wine lovers consciously seek something other than mass-produced wine when looking for personality and character in their glass. They don’t mind if this is considered a little snobbish. There isn’t much of this wine, and it reflects the very essence of Casa Relvas by combining the character and expressiveness of Alentejo with elegance, depth, and clarity.

Producer Casa Relvas, a Portuguese winery, aims to produce quality wines for all occasions; wines that evoke good times and represent Alentejo's gift to the world. Established in 1997, the young company has experienced significant growth, managing 750 hectares of cork-producing forests, 250 hectares of olive groves, and 350 hectares of vineyards. Consistency in high-quality production characterizes the six million wine bottles produced annually, earning hundreds of awards and excellent reviews from wine critics. The producer has been awarded the Earth Friendly winery status and engages in numerous environmental conservation projects alongside winemaking. Relvas also focuses on sustainable development through social and economic initiatives. Five percent of Relvas' production is certified organic wines.

COLOR Deep ruby red

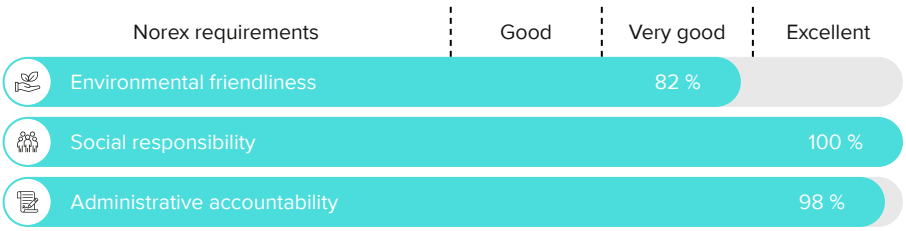

AROMA The aroma reveals notes of blackberries, blackcurrants, black cherries, fresh figs, red apples, and cinnamon.

TASTE The taste is dry, full-bodied, firmly acidic, elegant, with flavors of dark plum, cherry, spice, and a long, smooth tannic finish.

TIPS FOR USE This distinctive red wine is perfect as a conversation wine when you want to talk about the wine itself. It pairs excellently with grilled meats, creamy pasta, roasted vegetables, and slightly matured cheeses.
