EIN LITER RIESLING TROCKEN

”Uncomplicatedly pleasant”

Story Braun Riesling Trocken is a versatile and approachable wine, sourced from the renowned slopes of Rheinpfalz. Its crisp acidity imparts the perception of a very dry wine, but a touch of residual sugar adds a gentle quality, making it enjoyable and allowing it to complement dishes with salt and spices as a food-friendly wine. An everyday wine, suitable for various occasions, it maintains a high level of quality with pure and expressive aromatics. The one-liter bottle size adds to its generous character. Suitable for vegans.

Producer Weingut Braun was established in Meckenheim when the family businesses of the current owners' grandparents merged in the 1970s. The Ellerstadt and Meckenheim estates did not need to ponder a combined name, as both parties bore the surname Braun, despite not being related. The foundational values of Weingut Braun in winemaking revolve around the perspective of nature and respect for the environment, essential elements in producing both everyday wines and distinctive premium wines. "It is a joy to make wine that you fully stand behind but also love to enjoy yourself. We live for and through wine." The wine selection at Weingut Braun is impressively extensive. In addition to Rheinpfalz white wines, the range includes red wines, rosés, and sparkling wines, featuring familiar varieties like Riesling and Müller-Thurgau alongside several lesser-cultivated grapes in the region, such as Cabernet Sauvignon and Sankt Laurent.

COLOR Pale yellow color.

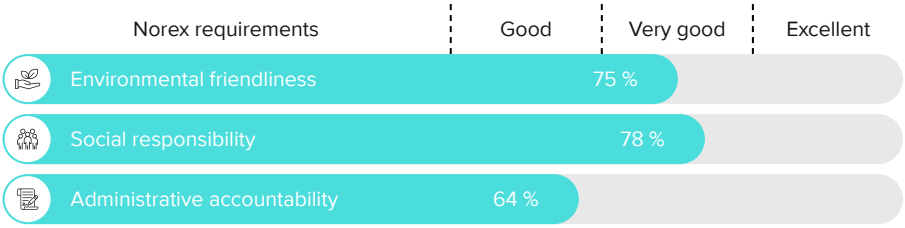

AROMA Citrus, green apple, and herbal notes are perceptible.

TASTE Dry, pleasantly acidic, well-defined, and easily approachable.

TIPS FOR USE Riesling Trocken is suitable as an aperitif, social wine, pairing with salads or pasta dishes, and, of course, with light appetizers. It also complements well the flavors of Asian cuisine
