LITTLE BEAUTY DRY RIESLING

VINULTRA
BESPOKE NEW ZEALAND WINE BRANDS

"Limited edition Riesling"

Story Little Beauty is Vinultra's prestige range, whose wines come from single vineyards. Production is strictly limited (limited edition) to ensure premium quality. Little Beauty Dry Riesling comes from the world-famous Marlborough area, its southern valleys. The climatic conditions are unique in the region. Long and bright summers, warm days and cool nights, create the ideal conditions for premium quality grapes. Warm days create a good fruitiness and cool nights create an acidity that balances it.

Producer "Vinultra is the parent company of three collections of quality wines under the names Little Beauty, Pounamu, and Insight. All their grapes come from a 41-hectare family estate situated on the rolling, stony hillsides of a river valley, cultivating five cool-climate grape varieties: Sauvignon Blanc, Riesling, Pinot Gris, Gewürztraminer, and Pinot Noir. Fleur McCree and Mark Duns, both from Marlborough, share the philosophy that exceptional wines stem from exceptional vineyards. In 2002, they realized their dream by acquiring an old sheep farm in Waihopai after an extensive search, transforming it into five unique vineyards within five years. Initially, they sold the grapes to some of the region's top producers. However, when the time was right, they sought out Eveline Fraser, a world-class winemaker who was available after her time at Cloudy Bay. This collaboration resulted in a winning combination: deeply dedicated farmers working alongside an exceptionally skilled visionary winemaker. Vinultra's wines have found their way to Michelin-starred restaurants and the tables of discerning consumers worldwide."
