

South Africa, WO Western Cape HEAVEN ON EARTH (37,5CL)

"Heavenly Wine"

Story The Muscat d'Alexandrie grapes used for this wine are dried in the South African sun on top of Rooibos tea leaves. In this way, the humidity evaporate from the grapes leaving a concentrated, sweet and aromatic grape juice, used for wine. Despite its sweetness, the wine doesn't feel heavy, because a well-balanced acidity refreshes the aftertaste. Heaven on Earth is an organic wine, which has been produced in accordance with the Fair Trade Principles and also suits vegans.

Producer Stellar Winery is the largest producer of high-quality, fair trade, organic wines in South Africa. The company sources certified grapes from independent growers in the Western Cape region. Some of the growers and workers own a portion of the company, which operates with a focus on caring for the environment, workers, farmers, and their families, carrying social responsibility for the entire area. Stellar is the world's largest producer of wine without added sulfites. In addition to organic production, Stellar aims to be a pioneer in both winemaking and social development. The Running Duck wine series from Stellar Winery derives its name from the Indian runner ducks. These swift, flat-footed ducks feed on snails and other pests in the vineyards, taking care of the well-being of the organic wine vines.

COLOR Golden yellow

AROMA Raisin scent with, notes of honey, apricot and spices

TASTE Sweet, elegantly acidic, elegantly fruity, well-balanced and long
