FOOTMARK PINOTAGE

”A tasty all-round wine”

Story

Footmark Pinotage is produced in South Africa and transported to Europe in bulk by sea for bottling. Norex Selected Brands produces and bottles Footmark Pinotage in cooperation with the German wine company Peter Mertes. The grapes for Footmark Pinotage come from the Breede River Valley region. Pinotage is South Africa’s signature red grape variety, created by crossing Cinsault and Pinot Noir. Footmark Pinotage is fermented and matured in stainless steel tanks to preserve the grape’s naturally warm, ripe, and subtly toasted character. Norex Selected Brands is a Finnish family-owned company and the owner of the Footmark brand. Drawing on its extensive experience and understanding of Finnish wine preferences, Norex develops Footmark wines in close collaboration with selected wine producers.

TIPS FOR USE In its softness, Footmark Pinotage is an excellent all-round wine. It pairs well with spicier poultry and pork, but it doesn’t fear a steak either. In the summer, it’s a great wine for the barbecue, picnic or garden party. It also comes in handy if you want a glass of soft and tasty red wine.
