FOOTMARK SMOOTH RED

”A warm and succulent red wine”

Story

Footmark Smooth Red is a blend of several South African grape varieties. Using multiple varieties adds depth, complexity, and character to the wine. This red wine also typically contains a small amount of residual sugar, which contributes to its pleasantly soft, smooth, and rounded palate. The grapes are sourced from WO Western Cape certified wine-growing regions. The wine is packaged in a lightweight glass bottle and is suitable for vegans. In addition, it carries South Africa’s Sustainability & Integrity certification, reflecting the producer’s commitment to sustainable wine production. This smooth and approachable red wine is equally at home at a summer barbecue as it is alongside relaxed conversations by the fireplace. Norex Selected Brands is a Finnish family-owned company and the owner of the Footmark brand. With extensive experience and insight into Finnish wine preferences, Norex develops Footmark wines in close collaboration with selected wine producers.
